PREMIUM INVESTMENT
Architecture @ Melbourne U

GOLDEN TICKET (Best Value)
Industrial Design @ Swinburne

QUESTIONABLE UTILITY
General Business

PASSION PROJECT
Fine Arts

SCHOLARSHIP IMPACT: A 50% scholarship for Architecture would move it from 'Premium' to 'Golden Ticket'.

5. CITY & UNIVERSITY MATCH

City	Institution	Risk Factor
Melbourne	RMIT	High Cost of Living
Perth	Curtin	Lower Industry density

6. FIT VS FRICTION COMPARISON

Pathway	Fit (Cognitive)	Friction (Personality)	Score
Industrial Design	High Spatial Skill	Moderate Deadlines	9/10
Medicine (Parent)	High IQ	Extreme Stress	4/10
Fine Arts	High Interest	Low ROI	6/10
Business	Average	Boring/Disengagement	5/10

Parent Preference Analysis:

Preference: Medicine

Verdict: Unsuitable. While cognitive ability fits, the high-stress environment triggers her 'Kryptonite' (Burnout Risk).
